Several churches in Clark County have partnered together to meet the needs of the families in Clark County looking for sports programs for their children ages 4 through 12th grade. Upward is a Christ-centered sports program that focusses on developing both athletic skills and personal character. As well, it will bring our community together by serving across denominational, racial, and social differences.

We want to partner with you! Help us make sure that each child participating in our Upward program has the best possible experience.
